

Ozarks Transportation Organization

Bicycle Advisory Committee

Agenda

April 12, 2005

3:00 – 4:30 p.m.

Busch Municipal Building
4th floor Conference Room

- I. **Call to order**
- II. **Approval of March 8th meeting minutes (5 minutes/Nicholls)**
- III. **Approval of meeting agenda (2 minutes/Nicholls)**
- IV. **Report on Bicycle Surveys. (10 minutes/Giraldo)** A preliminary survey report will be presented. This report will only contain the totals and percentages. Statistical analyses, and the origin-destination map will not be included yet.
- V. **Discuss planning criteria and design standards. (15 minutes/Giraldo)** This presentation will include bicycle users' profile; bicycle suitability measures for roadways and sidepaths, including the Bicycle Level of Service and Bicycle Compatibility Index; and roadway design standards. Members are encouraged to discuss the material presented and establish the criteria to be used in this planning process.
- VI. **Bicycle Education initiatives (10 minutes)** General information will be presented about regional activities and programs developed by bicycle advocacy groups and other organizations in order to educate and promote safe bicycling. Members are encouraged to bring information about programs developed in their respective jurisdictions.
- VII. **Other business.**
- VIII. **Next Meeting.** Tuesday May 10th, 2005; 3:00 – 4:30 p.m., Busch Municipal Building, 4th floor Conference Room
- IX. **Adjourn**
