Dear Ms. Fields:

This letter is to confirm that the OTO TIP Amendment No. Two has been withdrawn for ONEDOT approval of the MoDOT FY 2014-2018 STIP amendment. This includes withdrawing project 8S0836, scoping for railroad crossing improvements on Brookline Avenue (Rte. MM) at BNSF railway in Republic. Due to MoDOT's current funding forecasts, there is little or no ability to add railroad grade separation projects beyond 2018. As result, there is no need to do project scoping at this time.

Please let me know if there are questions.

Sincerely,

Eva Voss  
Sr. Transportation Planner
