The OTO is excited to hear from the Nixa community on the locations of several potential bike and pedestrian trail corridors. Our consultant, Alta Planning and Design, has used the community input they received to identify several trails that could connect Nixa to Springfield, Ozark, and the rest of the region. They include connections along US 160, Tracker Rd., Union Chapel Rd, and along the unnamed creek flowing from the X Center. We are giving the public an opportunity to review maps and visit with our consultant on **Thursday, May 24**, at the **X Center**. We will be available from **4:30 to 6:30pm**. We encourage everyone to come out, take a look, and share their thoughts. Funding for these trails has not been identified, but having corridors identified is an important first step.

If you are unable to attend the meeting, you can review and comment on the map at www.giveusyourinput.org or review the attached map and send comments to comment@ozarkstransportation.org. We appreciate any feedback we receive.
