Subject: Transportation Planning Committee - Final Draft

Date: Friday, July 16, 2010 12:35:00 PM

Hi Greg,

Please see the attached final draft of the Transportation component of the Springfield Strategic Plan. We understand that the coordinating committee may have some questions or comments for our committee to address. We are prepared to meet again should that be necessary. Otherwise, OTO would like to thank everyone for their continued involvement. As seen under volunteer hours, a lot of time has been dedicated to ensuring the completion of this plan. Please let me or the co-chairs – Dave Roling and Kelly Turner – know if anything else is needed from us.

Thank you,

Natasha L. Longpine
