OZARKSCOMMUTE.COM

A service of the

Ozarks Transportation Organization

WHAT IS OZARKSCOMMUTE.COM

- Website dedicated to matching commuters who share a similar ride to work or any other location
- Employers, employees and residents can participate and sign-up for ridesharing throughout Southwest Missouri
- Can arrange rides on a set schedule or for single events
- Highlights other modes of transport that can be used in conjunction with carpooling – walking, bicycling, and transit
- Can track commute to calculate fuel saved or calories burned

WHAT IS OZARKSCOMMUTE.COM

- Anyone within Southwest Missouri can use the site
- Employers can customize a portal for employees
- Employees can search within own employer group for matches
- Map-based results from match searches
- Ability to see mapped results along with transit routes and greenway trails
- Self-managed profile – user determines who to contact with what personal information

BENEFITS OF OZARKSCOMMUTE.COM

- Air Quality – Reduced Congestion, Reduced Ozone
- Health – Less stressful commute, may encourage more physical activity
- Social – Expands network of friends
- Economic – Commuters save money as well as vehicle maintenance needs
- More than carpooling – connects to greenways, transit
- Not just for commuters – volunteers, single trips to events, other cities, possibly for single trips into Springfield for services
