Public Input: FY 2022-2025 Transportation Improvement Program

The FY 2022-2025 Transportation Improvement Program is currently being developed. The Transportation Improvement Program is a listing of projects proposed for federal, state and local funding over the next four years for the OTO area which includes seven cities and two counties. Funding is proposed for aviation, bicycle and pedestrian, roadway and transit projects. We are asking citizens to provide the OTO with comments and concerns about needed transportation projects in the next four years, July 1, 2021 – June 30, 2025. The input will be shared with our member communities and our Board of Directors, documenting the transportation needs in the Springfield Metropolitan area.

Please respond by January 13, 2021 with any comments or concerns regarding transportation needs in the region, either by e-mail to comment@ozarkstransportation.org or in writing to: Ozarks Transportation Organization, 2208 W. Chesterfield Boulevard, Suite 101, Springfield, MO 65807. Feel free to also visit with us on Facebook at Ozarks Transportation Organization and Twitter [@theotompo](https://twitter.com/theotompo) or by using [#ototip](https://twitter.com/ototip), as well as our input website, www.giveyourinput.org.

While this public input period ends January 13th, contact us at any time about any needs. Through Facebook and Twitter, stay up to date on our plans and projects in the region, as well as area transportation activities.
