**REMINDER: TODAY MARKS THE BEGINNING OF THE *NORTH HWY 13 CORRIDOR STUDY'S* SECOND ROUND OF COMMUNITY MEETINGS**

Today marks the beginning of the *North Hwy 13 Corridor Study's* second round of community meetings. As the project team works to identify long-lasting solutions for the Hwy 13 corridor, the community input collected through Monday, March 21, will play an important role in identifying and refining feasible design alternatives. All meeting participants, in-person and virtual, are invited to complete our Design Alternatives Survey. This survey will provide opportunities to comment on the design alternatives and to submit sketches or photos outlining other design possibilities.

**Tonight, the public is invited to the Library Center's Frisco Room from 4:30-6:30pm** to learn more about the five design alternatives developed for the Hwy 13 and I-44 interchange and the two design alternatives for Farm Road 94. Members of the project team will be available for questions and comments during this open house meeting. No formal presentation will be made.

**The public is also invited to attend our virtual meeting available at [www.North13Study.com](http://www.North13Study.com) through Monday, March 21.** A full, prerecorded presentation, along with shorter presentation clips, are available on the meeting site. Community members can also view maps and renderings of the seven design alternatives.

For more information on the North Hwy 13 Corridor Study, please visit [www.North13Study.com](http://www.North13Study.com) or reach out to Andy Thomason at 417-865-3047 x107 or [athomason@ozarkstransportation.org](mailto:athomason@ozarkstransportation.org).

<b>What:</b>	North Hwy 13 Corridor Study Public Meeting: Reviewing Design Options	
	<i>In-Person</i>	<i>Virtual</i>
<b>When:</b>	Tuesday, March 8 4:30-6:30pm	Tuesday, March 8 – Monday, March 21
<b>Where:</b>	Frisco Room, Library Station 2535 N Kansas Expy, Springfield, MO	<a href="http://www.North13Study.com">www.North13Study.com</a>
<b>Why:</b>	Design alternatives have been developed for the <i>North Hwy 13 Corridor</i> , and these meetings are the community's opportunity to weigh in on which designs would best serve drivers, businesses, and residents along Hwy 13.	

**Ozarks Transportation Organization** is your Springfield-regional Metropolitan Planning Organization, or MPO. The MPO is a body of elected and appointed members who work together with local, state and federal elected officials and policy-makers, serving to make funding and planning decisions for transportation within the Springfield, MO region.

Public input is a cornerstone of our operations. To tell us what you think, please email us at [comment@ozartstransportation.org](mailto:comment@ozartstransportation.org). Find us on Facebook or on Twitter @theOTOMPO.
