1. WELCOME AND INTRODUCTIONS

The meeting was called to order at 3:06 pm.

2. PROJECT SUBMISSIONS

A list of the LRTP project submissions was handed out to the committee. Every project was included, regardless of mode. Projects were sorted by jurisdiction. The committee asked if the projects could be sorted by mode. Staff agreed to send a new copy to the committee.

3. PRIORITIZATION CRITERIA

The committee continued discussing how to prioritize the bike/ped projects. This would be a separate process from the roadway projects. There was discussion as to how the projects should be categorized – potential funding source, regional, barriers? It was determined that regardless of the priorities, the list of all submissions should be maintained and reviewed regularly. Staff will review the project submissions and the previously approved goals and objectives, and develop a list of possible priorities.

4. OTHER BUSINESS

Staff handed out a preliminary draft of the Introductory and Public Participation Chapters of the LRTP as an example for the layout of the Plan.

5. ADJOURN

The meeting was adjourned at 4:23 pm.
