

Ozarks Transportation Organization

Bicycle-Pedestrian Advisory Committee

Meeting Notes

July 11, 2023

1:00 pm

2208 W. Chesterfield Boulevard, Suite 101, Springfield, MO 65807

Attendees: Scott Godbey, David Hutchison, John McCart, Frank Miller, John Montgomery, Grady Porter, Chris Tabor, Andy Thomason, Tommy VanHorn, Natasha Longpine, David Knaut

1. Call to Order – The meeting was called to order at 1:02 pm.

2. Meeting Notes from June 13, 2023 BPAC Meeting – Andy Thomason, seconded by Chris Tabor, made a motion to approve the June 13, 2023 meeting notes. The motion passed.

3. Pedestrian Safety Analysis – David Knaut reviewed the updates to the draft regional pedestrian safety analysis. Mr. Porter reported that there is a neighborhood project at Chase St and Grant Ave to install a Rectangular Rapid Flashing Beacon (RRFB). Frank Miller reported that MoDOT is planning to install a High-Intensity Activated crosswalk (HAWK) beacon at the intersection of Chestnut Expressway and N Eldon Ave because the recommended RRFB has not been as effective. The committee recommended removing the N Kansas and Battlefield Cluster and add traffic calming measures to the speed zone reduction recommendation. Discussion was held regarding details of crash reports, adding social equity analysis and future steps of approving final analysis.

4. CY 2022 Implementation Report – David Knaut reviewed the process of completing the implementation report. Natasha Longpine explained to committee what data the report will entail. Discussion was held to clarify questions and timelines and committee recommended that staff sends out an email as well.

5. Next Meeting – September 12, 2023

6. Adjourn – John Montgomery, seconded by Andy Thomason, made a motion to adjourn. The motion passed. The meeting adjourned at 2:11 pm.
