Good morning, The removal of the FF Extension is the best news I've ever heard. This had the potential to ruin our part of the country life. My wife and all of our neighbors wholeheartedly support removing the FF Extension plans.

Respectfully, Ron and Brenda [REDACTED]

OTO Response:

Thank you for this information. Public input is vital to the planning process. This information will be shared with our Board of Directors. We appreciate you reaching out.

NEW SAFETY IMPROVEMENT!

The Fasnicht Creek Trail that runs along Bennett Street now features a pedestrian activated beacon at Kimbrough Avenue.

WALKERS, be sure to push the button and wait for drivers to yield! If they do, flash a smile - if they don't, feel free to give them the stink eye! 😏

DRIVERS, be sure to give pedestrians the right-of-way. It's not just the law, it's the right thing to do! 👍

Never had trouble with that one. The thing I don't understand is why the maps think Holland is a good place to cross Grand: you'll pretty much be stuck at an eternal red light.
