A. WELCOME AND INTRODUCTIONS

Mr. Thomason brought the meeting to order at 3:08pm. Introductions were made.

B. VEHICLE STATUS UPDATE

Mr. Thomason reported that FY 19 vehicles should be delivered at this point. He did not hear back from MoDOT Transit on vehicle status before today's meeting, so he isn't certain. He also reported price lists for FY 2020 vehicles should be available in May. This is later than normal. Mr Thomason also passed on some safety concerns about the medium roof Fort Transit vans expressed by Mr. Robinson.

D. MEMBER REPORTS

Ms. McCafferty discussed Burrell's new Behavioral Crisis Center that will be opening in April or May. This center will be an ER for mental health and drug related issues. It was made possible in part by partnerships with Greene County, Mercy, and Cox.

Ms. Butler reported on recent conversations with Springfield Public Works, CU Transit, and Greene County Clerk's office. They discussed access to polling locations.

E. OTHER BUSINESS

No other business was discussed.

The meeting was adjourned at 3:30pm.

Minutes Approved on 05/14/2020.
