

## PLAN TIMELINE

### EXISTING CONDITIONS & INITIAL INPUT

Safety analysis & risk identification  
Community meetings & online survey  
**January - March 2024**

01

02

### NEEDS ASSESSMENT

Needs assessment  
Project development  
Prioritization  
**March - June 2024**

### CONCEPT REFINEMENT

Share initial safety project recommendations at open houses & a pop-up demonstration  
**July & August 2024**

03

04

### DRAFT PLAN

Draft plan review  
**September 2024**

### FINAL PLAN ADOPTION

Adoption by OTO Board of Directors  
**October - November 2024**

05

## Give us your input: Make our region's streets safe for all!

### WHAT:

Regional safety action plan, focusing on ways to enhance roadway safety for all users in the Ozarks Transportation Organization (OTO) planning area.

### WHERE:

OTO planning area: Christian County, Greene County, Battlefield, Nixa, Ozark, Republic, Springfield, Strafford, Willard

### FUNDING:

\$228,800 Safe Streets and Roads For All Grant (SS4A). Established in 2022, the program funds planning and implementation activities to prevent deaths and serious injuries on our roadways.

### STAY INVOLVED:

Scan the QR code to visit the project website. Online surveys and public feedback sessions are happening throughout the project!
